NEWS & ANNOUNCEMENTS October 2025

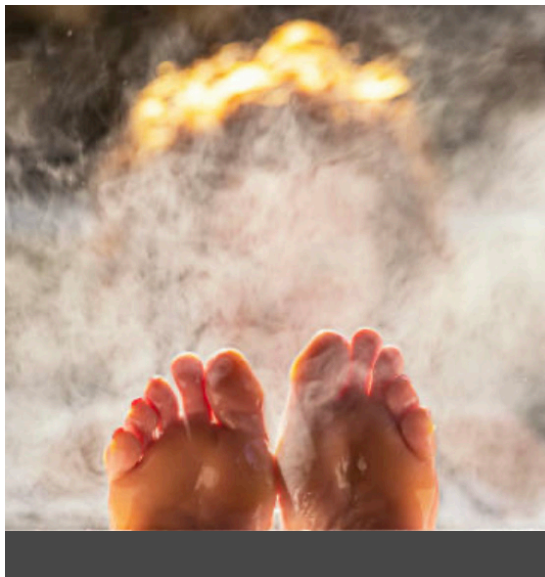

Community Center Celebrates Two-Year Anniversary

The Stonegate North Villages Community Center opened its doors September 15th, 2023. In the two years since hundreds of events have been held, with community members celebrating birthdays, baby showers and even marriages in the building. This major capital improvement was a significant enhancement to the district, one befitting the district's mission of bringing "district residents a dynamic and vibrant community, well-managed, maintained and fiscally sound, that features world-class recreational amenities among gracious walking trails and greenbelts."

In addition to the construction of the building, the district's management and communication teams have worked extensively with the board of directors to establish the facility's rules for use — and to ensure the appropriate staff to manage the ongoing operation of the building and ensure renters have a great experience.

To learn more about this facility, see photos and review the rules for renting, please visit the website and select the drop-down menu Recreation & Facilities. You'll then see all you need under the Community Center tab. Or simply use the QR code located here:

Visitors to the Adult Pool & Spa, Please Don't Forget...

What can be better than enjoying a hot tub in the middle of cold wintry months? The Adult Pool & Spa remains open year-round, a tremendous benefit to residents. Please do help us with ensuring we are mindful of the neighbors and obeying all of the district's rules for use.

Each person entering the area should use their VIZpin to come through the gate.

The district uses the access numbers to determine use and safety and servicing of the facility, so please ensure you badge each person in, not just a group.

Keep music and noise to a minimum.

You must be out of the area at 8 p.m. — not packing up at 8 p.m.

There are very strict rules regarding closure and violators can lose their privileges and be charged with trespassing.

Board of Directors for Stonegate North Villages

The District is governed by a board of directors who serve staggered terms. You can email the Board of Directors directly at board@stonegatenorthvillages.org.
