NEWS & ANNOUNCEMENTS

MAY 2021

Stonegate North Villages Introduces New Way to Access District Facilities

The district learned a lot as we managed the 2020 pool season during Covid. One of the biggest things learned is how invaluable it is to use technology to our advantage.

Beginning at the end of May, as the pool re-opens for the season, we will transition to a new system that allows residents to use their personal mobile phone as a mobile pass. Your phone will become your key, allowing simple, easy, access.

We are very pleased with the advantages this system will give us — as well as each of you as residents. For the district, this change gives us an opportunity to provide contact-less accessibility, better understand the pool usage patterns and occupancy rates, ensure enhanced safety during off-hours, and do a better job of ensuring only current and authorized residents are using the facilities.

For residents, you no longer have to have a pool card or remember the tennis court code for the Stonegate North Villages Facilities, instead enter with a simple swipe of your smartphone as you enter the pool or

tennis courts.

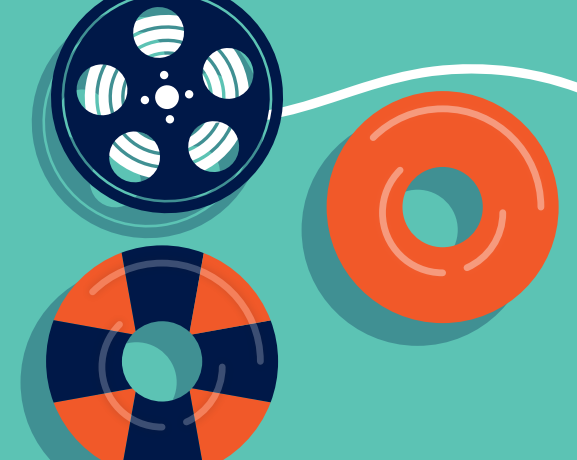

In these first few days of May, we will send an eNews to residents with a helpful step-by-step guide on how to set up your new mobile pass — and we will also post information on the website. Please make certain you are signed up for eNews updates or make sure to visit the district website at www.stonegatenorthvillages.org between May 2nd and May 18th to read up on the process and take the steps necessary for this season. You will need to complete this new process to have continued access at the Stonegate North Villages pool and the tennis courts.

Thanks again for making a note of the change — and for helping us usher in this new, technology-enhanced solution! We look forward to a tremendous season at the pool and throughout the community.

REMINDER: Sign up for eNews or visit www.stonegatenorthvillages.org between May 2 and May 18 to complete sign-up for the new Stonegate North Villages Facilities Pass.

What if I am a resident of Stonegate — not Stonegate North Villages?

Stonegate has elected to continue to use their same facility pass. If you are a Stonegate resident who would like to use the facilities at Stonegate North Villages, please plan to visit our website for instructions between May 2nd and May 18th.

Eagle Scout's Commitment to Excellence Shows in Stonegate North Village Project

As part of his final requirements to achieve the rank of Eagle Scout with Troop 16, young resident Jack Kamm was required to complete a service project to benefit a church, school, or the broader community. With a keen eye for community service, Jack selected to repair and improve a section of fence in the Stonegate North Villages Community Park that borders a culvert pipe drainage area.

Jack Kamm leads the community service project.

According to Jack's project proposal, submitted to the district, "The fence is missing rails and other rails have come loose. I plan to replace the missing rails and improve the sturdiness of the remaining rails by using lag screws instead of nails to attach them to the posts. The fence will then be stained to beautify it and extend the life of the fence. Additionally, the concrete drainage channel will be cleared by shoveling out sediment that is clogging it." We want to acknowledge Jack's service to Stonegate North Villages, commend him for his work, and congratulate him on his rank of Eagle Scout!

Pool Opening Day is May 29th!

Don't Forget to Send Us Your Seniors!

Reminder: Anyone looking to have their senior included in the Senior Showcase should send in their child's information to contact@stonegatenorthvillages.org.

Please submit their name, their senior photo or a snapshot, as well as which school they attend. If they want, also include anything they have loved about living in the district, too.

Those who send in their info by May 10 will have their info printed on posters displayed at the pool.
