NEWS & ANNOUNCEMENTS

June 2023

The Pool is Now Open!

The pool opened this past Saturday, May 27th and it is clear we are going to have another great season. Thanks to everyone who ensured their VIZpin was set and ready to use ahead of time. For those who may still need to apply, you can begin the process on the website or email registrations@stonegatnorthvillages.com if you have any questions not addressed on the site.

We also suggest bookmarking the district website, and specifically the Recreation & Facilities tab. This is a great page when you are searching for information including pool hours, how to reserve a pool party, or district rules and regulations regarding the pool, tennis courts and other amenities.

Community Center Update

As you all know, we have been very focused on the design, development, and construction of the new Stonegate North Villages Community Center. It's been a significant capital improvement project — and one that has been fortunate to stay on track despite continued supply chain issues in the building and construction industry.

Until now.

Just as the crews have rounded the bend to the final stage, we have encountered shipping delays on some very critical final finishes, including our flooring and doors. The great news is that the construction plan went as seamlessly as it did — and that the final items are finishing materials. We know you share our excitement and anticipation for the Grand Opening, but we will be forced to back

out the opening of the new facility as we await the arrival and install of these items and complete the walk-through with the builder. We know you will agree that it is important to ensure that every element of the project is completed — and that we open our doors to a fully finished — and stunning space for residents.

What next?

1. We are awaiting news on a final delivery date for the last items. Once we have that delivery date, we will be able to re-set our Grand Opening celebration.
2. We will debut the reservation system, allowing residents to book the facility for parties and events, only after we announce the rescheduled Grand Opening.
3. Please note this small delay has no impact on the opening of the pool or other scheduled events.

Thanks for your understanding and we look forward to throwing open the doors (once they arrive) and sharing this new space with you in the very near future!

Thanks to All of Our Graduating Seniors

Thanks to all of the graduating seniors who came out for our annual Senior Celebration event last Friday night. It's always great to see our young people — and to celebrate this milestone in their lives.

Save the Date

Our first Flick & Float of the season will be Saturday, June 10th at dusk. Stay tuned for the announcement on which movie will play. We'll also send out an eNews or you can check the website.
