NEWS & ANNOUNCEMENTS

JUNE 2022

Stonegate North Villages **NEW** Trail Map

We are excited to debut the new Stonegate North Villages trail map.

This map can serve as a helpful tool for those of you out walking the many paths in the community. It also highlights several of our key community features and landmarks. Please note that we have highlighted walking trails, biking paths, and the

many dog stations specifically installed and maintained by the district. We have also noted the location of some new and upcoming buildouts in the district — including our new Community Center, as well as the LoKal townhome and condominium community and QuikTrip located in the upper right-hand area. As the summer progresses we will move forward with installing these signs across the district paths, but for now this map can be found on the website and might help you chart your latest walking path! And, as always, thanks for helping us keep the district clean and safe and enjoyable for everyone. Happy Trails!
