NEWS & ANNOUNCEMENTS

AUGUST 2022

Stonegate North Villages Pool Info

Thanks to everyone who has joined us to play, swim, or just take a quick dip at our pool this summer. We have had great feedback about having the new adult pool and spa area, in addition to the main pool. A few quick reminders:

- The new area is for adults ages 18 and up only. Please help our lifeguards by sticking to the rules and ensuring this area does not have toddlers or little kids.
- Please keep all glass out of the pool area. If glass breaks, we could need to close everything down for a cleaning process. Please help us

avoid this by only bringing plastic and non-breakable water bottles and items with you.

- There is no trespassing after hours. We have had some trespassing events, leaving us no choice but to look at additional motion detectors, cameras, and enhanced security options. We love the pool, too, but please help us avoid additional expenses and liabilities and stay off the grounds after hours.
- As the kids head back to school, please make a note of the change in the pool hours:

Late Summer/After School Hours From August 8th through September 5th

Weekdays: 4:00 PM - 8:00 PM

Weekends: 9:00 AM - 8:00 PM

Happy 4th and a Huge Thanks!

The Fourth of July Pool Party was a blast.

Thanks to those who served as volunteer judges.

We always look forward to this annual event and appreciate everyone showing up to celebrate.

Keep an Eye Out

As the school days begin again, please keep an eye out for kids biking and walking to school in the area. Slow down, look both ways, and be kind to our littlest neighbors on their commute.

The district is excited to break ground on our new community center, adjacent to the pool in the weeks and months ahead. The property will feature an indoor/outdoor design, a multipurpose room, a meeting room, and additional restroom facilities.

Please look for updates and notices on planned construction — and help us ensure everyone stays safe and clear of our construction crews as they get to work.

Upcoming Meetings

The Stonegate North Villages Metropolitan District's Board of Directors meets the fourth Tuesday of each month at 5:30 p.m. The July meeting will be held on Zoom. Please see the meeting details, including the meeting notice and meeting agenda, at StonegateNorthVillages.org under the Meeting Notices & Events section of the home page.

Final Flick & Float of the Summer

Last month's movie, Sing 2,
was a big hit.

Suggest Movie

The final Flick & Float of the season will be on Saturday, August 30th. We'd love to have your suggestions for a family friendly movie.

Board of Directors for Stonegate North Villages

The District is governed by a board of directors who serve staggered terms.
