NEWS & ANNOUNCEMENTS
November 2025

Online Video Tour of Community Center Now Available

The Stonegate North Villages Community Center is one of the district's most popular amenities, hosting hundreds of events each year. Many prospective renters begin their inquiry by asking if they can schedule an in-person tour.

Staff are not available to provide personalized tours; however, we encourage visitors to stop by and view the interior through the building's large floor-to-ceiling windows, which offer a great sense of the space. Professional photos of the facility are also available online.

Now, in addition to photography and the ability to preview the space from outside, we are pleased to announce the launch of an online tour of the facility, allowing visitors to explore the Community Center from anywhere.

Interested in seeing the facility and considering it for an upcoming event? Visit the QR code here and it will take you to the district's YouTube page with the online tour.

To see photos and learn about the rules governing the use of the Community Center, simply visit the district's website, select the drop-down menu Recreation & Facilities and then select the **Community Center** tab. On this page you will also find a button **Make A Booking Request** where you can check available dates and start a reservation.

We hope this new online tour is helpful to you all!

As we await Denver's first snowfall, we wanted to take a moment to remind residents of our snow policies.

The district has a contract with a service provider to clear all right-of-way sidewalks on, or adjacent to, common tracts owned by the district. They also clear the main park sidewalks and manage snow removal for the two parking lots adjacent to the Community Center, pool and tennis courts, as well as the park at the southeast corner of Keystone Boulevard and Aventerra Parkway. Snow removal operations are triggered anytime there is an accumulation of more than two inches in depth. Additionally, the district's contract calls for their teams to begin snow removal operations within twelve hours after snowfall has ceased, or as conditions safely permit.

It is important to note that snow removal on the adjacent public streets throughout the district are maintained by Douglas County. Residents can view the county's snow removal policies, including routes, priorities, policies and information on filing a concern at the following link: **www.douglas.co.us**

We always appreciate your eyes and ears on our district-owned areas, and if you see any that need attention, please don't hesitate to contact us at contact@stonegatenorthvillages.org. Be sure to share the specific location, address, or cross streets.

Board of Directors for Stonegate North Villages

The District is governed by a board of directors who serve staggered terms. You can email the Board of Directors directly at **board@stonegatenorthvillages.org.**

Vicky Strain, President | Tim Sepp | Robert Kuehl

Upcoming Meetings

The next meeting is February 25, 2026. Meeting details can be found at the bottom of the website: **StonegateNorthVillages.org**

Thanks for making a note of the best ways to reach the district!

That's A Wrap on Summer 2025!

It was another great summer season here at Stonegate North Villages Metropolitan District!

We saw so many neighbors at our Family Pool, our Flick & Float events, and at the Tennis Courts and outdoor gazebos and open spaces. As we closed out the season, the district once again provided bonuses to some of the most valued members of the lifeguard team. This program utilizes a grant from the state of Colorado. We also made some upgrades to the Tennis Courts, replacing the nets at center court and around the fencing and repairing the gate to ensure security.

Thank You All for Making Our District Such a Vibrant Community!
