## NEWS & ANNOUNCEMENTS

AUGUST 2023

# Please Join Us!

Our events continue to be a great way to celebrate the summer and be with our neighbors. We had a record number of residents at the last Flick & Float. Parking is often at a premium during these events and we encourage you to walk over whenever possible. It helps with the traffic and parking congestion tremendously.

### **BUELLER... BUELLER... EDITION**

Here are the next two events, happening this Friday!

## Final Flick & Float of the Summer on August 4th

**Join us for our final Flick & Float of the season!**

The event begins at dusk and the movie starts when it is dark. We'll be playing Ferris Bueller's Day Off.

Drinks and snacks provided.

## Community Center Sneak Peek also on August 4th

**Just prior to the movie, we'll host a Sneak Peek of the district's new, nearly opened, community center!**

Sneak peeks are available beginning at 7 p.m. up until movie showtime. We are excited to receive our final certificate of occupancy in the coming weeks and truly open our doors. But in the meantime, come by for a sneak peek of the brand new, nearly 3,800-square-foot facility, which features a board room for meetings, a kitchen, extra bathrooms, and a gracious and airy main hall and courtyard for events.

## Use of Open Space

A gentle reminder that the open grassy areas across the district are intended to be open for families and residents for limited day use. This includes for picnics, family recreation and general play.

These spaces are not available to reserve nor are they to be used for commercial activities and/or organized sports teams.

For more information visit the **Other Features** page of the website, among others, where the district policies governing recreation facilities are available for download and review. That page can be found at: <https://stonegatenorthvillages.org/recreation-and-facilities/other-community-features/>.

These documents are also available under the Meetings & Documents tab, beneath the Resolutions drop-down menu.

## Back-to-School Reminders

As the kids head back to school, please be extra careful driving through the community. Also, please note that the parking lot for the pool and the new community center can't be used for pick-up and drop-off. Thanks for helping us make it a successful start to the new school year.
