NEWS & ANNOUNCEMENTS

MARCH 2022

Reminders for Those Renting in Stonegate North Villages

If your lease has expired — or is due to expire — between last year's pool season and the start of this year's pool season, you will need to upload a new one through the online application system. (Those tenants with current, multi-year leases do not need to take this step, only those with leases that are expiring.)

To ensure you don't miss out on any days at the pool, please revisit the information page on the district's website at: <https://stonegatenorthvillages.org/apply-for-a-pass/> and then visit Facilities Access Release for Tenants.

The VIZpin system is a secure, data-driven system and this step ensures not only that we have accurate data on the number of visitors to the pool, but also that only current residents have

access. We are very pleased with the system's capabilities and want to ensure all residents needing Mobile Passes for the 2022 season can get them approved through the online application process in plenty of time.

We look very forward to the weather warming up and the pool facilities being open, especially with the planned **Grand Opening** of the new adult pool and spa area!

Did You Know?

Even as the number of vehicle miles traveled decreased during the pandemic — the number of traffic collisions and fatalities has risen. In fact, 2021 was the deadliest year for U.S. traffic crashes in more than a decade according to the National Highway Traffic Safety Administration. Here in Colorado, incidents of excessive speeding — going 40 mph or more over the limit — shot up by 48 percent last year according to a spokesperson for the Colorado State Patrol. Fatalities also increased among motorcyclists, bicyclists and pedestrians in the past year. Here in our district, the board and management company have worked closely with Douglas County's Traffic Division to evaluate crosswalks and intersections and garner additional safety measures. With so many of us beginning to return to normal activities and traffic on the roads increasing again, we ask that you please watch your speed closely — and be mindful of those walking, biking and sharing the road with you. Together, we can keep the district a safe place!

New District Signage

As the year progresses residents will continue to see new district monuments being installed. The signage at Aventerra and Jordan is well underway and the signage for Aventerra and Chambers will be constructed next.

Upcoming Meetings

The Stonegate North Villages Metropolitan District's Board of Directors meets the fourth Tuesday of each month at 5:30 p.m. This month's meeting will be held on Zoom.

Please see the meeting details on the home page of the website at StonegateNorthVillages.org. If you would like more information or would like to be added to an email list to receive agendas, please reach out to contact@stonegatenorthvillages.org.

NEW TO THE BOARD

A new board member, Robert Vogel, was elected at the last meeting, held on January 25, 2022. Vogel has been named a director and his term will extend through May of 2023.

Look for an upcoming "Meet Your Board Member" profile on this latest addition!

Board of Directors for Stonegate North Villages

The District is governed by a board of directors who serve staggered terms.

You can email the Board of Directors directly at **board@stonegatenorthvillages.org**
