## NEWS & ANNOUNCEMENTS

MAY 2022

# Summer Scene Grand Opening May 28th!

**Summer Hours From 5/28 – 8/7**

**Mon – Fri 10:00 AM – 8:00 PM**

**Sat – Sun 9:00 AM – 8:00 PM**

We are excited to open the pool on Saturday, May 28th — including the new adult pool and spa area! In addition to the additional pool and spa, and the cabanas added last year, many upgrades have been made to the original pool and pool equipment as well. The equipment, facility, and technology upgrades are important investments in keeping Stonegate North Villages a great place to live. We appreciate all of the community support we have had in making these enhancements and we hope you and your families have a great start to the summer!

### A few reminders...

- You must have a Mobile Access Pass through the VIZpin system to access the pool and the tennis courts in the district. Any resident who has accessibility needs, or does not own a smartphone, should contact the office at [contact@stonegatnorthvillages.org](mailto:contact@stonegatnorthvillages.org) or by phone at 720-851-8178.

- Guest passes are available — and the guest policy can be viewed online here:

- If you would like to use the pool at Stonegate Village, often called the South Pool, you will need to visit that district's site and complete their process.

The Stonegate North Villages Metropolitan District's Board of Directors meets the fourth Tuesday of each month at 5:30 p.m. The May meeting will be held on Zoom. Please see the meeting details on the home page of the website at [StonegateNorthVillages.org](http://StonegateNorthVillages.org). ## Meet Your Board Member: **Rob Vogel**

The district's latest addition to the board is Robert (Rob)

Vogel, a resident of Colorado for 45 years, and of the district for nearly seven. Rob was originally drawn from Chicago to Colorado by the astounding beauty of the mountains — and was subsequently followed by numerous family members, many of whom live close by today. He has been in the waste and recycling industry for more than 30 years

and currently serves as a national sales manager for Shred-Tech, a major supplier of industrial landfill equipment and mobile document destruction. Rob previously served on the board of the Colorado Marine Dealer's Association. In addition to his board and operations experience, he brings a concerted interest in ensuring the community standards of the district continue to be held high. The maintenance of the greenbelt and area open spaces are particularly vital to him. When not busy with work, and travel, he enjoys classic cars, working out, and cheering on the Broncos and the Avalanche. Please join us in welcoming him to the board!
