NEWS & ANNOUNCEMENTS
NOVEMBER 2023

Stonegate North Villages Community Center

The Stonegate North Villages Community Center has been open for a few weeks now and we love seeing residents renting the space and hosting events.

A few quick facts about the facility:

Pricing and Minimums: Community Center rentals include the entirety of the Community Center but not the pool facilities. Residents will be charged \$75 an hour and there is a two-hour minimum required for every reservation.

Hours Available: The Community Center is available for events during the following hours: Monday through Friday from 9 a.m. to 10 p.m. and Saturday and Sunday from 8 a.m. to 10 p.m. Reservation requests will need to include all time for set-up, clean-up and tear-down.

Interested in Learning More? The best place to learn more about the Community Center is on our district website. We have a dedicated page under the Recreation & Facilities tab for the Community Center and several helpful resource links, including:

7 Steps to A Successful Event: Outlining the steps from making a reservation request to locking the facility at the end of your event.

An FAQ: With frequently asked questions.

The Facility Use Rules and Regulations: Outlining what types of events are allowed, as well as all of the rules regarding access, decorations, and more.

Online Reservation Link: The link to initiate a booking request.

A reminder that this secure facility requires a VIZpin Mobile Access Pass (Smartkey) to initiate the reservation process. If you have not already applied for a VIZpin Mobile Access Pass (Smartkey) you must complete the application process to initiate a booking request.

VIZpin App Updates

There was a recent update to the VIZpin Mobile Access Pass (Smartkey) and all residents using this app will need to ensure they update their app to the latest version.

Then, standing in front of the facility, hit refresh and the updated app will provide access. If you have questions, we have a helpful one-pager on our website under eNews.

Important Updates on the Adult Pool & Spa

A reminder that the adult pool and spa are open for residents to use.

Thanks for ensuring you are following the rules for this facility so the district can continue to offer this amenity.

1. Each person in your party should use their VIZpin Mobile Access Pass (Smartkey) to enter the facility. This provides the district an accurate headcount of usage.
2. Pull the gate closed behind you both when you enter — and when you leave.
3. The facility closes promptly at 8 p.m. Please make certain you are exiting the facility before the posted closing time.
4. We are all neighbors. If you are using a personal speaker, keep it near you and the volume down.
5. There are restrooms available for your use. Please keep an eye out for signage regarding any updates to access for those facilities.

As a district we provide regular updates to our residents through eNews and our website. If you are not a resident of Stonegate North Villages Metropolitan District and you are interested in learning more about our district or amenities, please visit our website.
