As a reminder, limited parties and events may be hosted at the pool. Visit the Recreation and Facilities tab and then select Swimming Pools.

Events at the New Community Center

We have not yet opened the online rental system for the new Community Center. As a note, these reservations will be handled separately from pool party reservations, since pool parties do require consideration of a lifeguard through Front Range Recreation. We anticipate the first available rentals of the new Community Center will be in mid-June and the online rental system will debut in the coming weeks. We will send out an eNews and post the information on the website once that reservation system is launched, so do keep an eye out!

Last Call for Seniors

We have had a tremendous response to our call for senior photos! As a reminder, the annual Senior Showcase is an event created by Stonegate North Villages, in conjunction with the HOA, that celebrates graduating seniors. Seniors from both Stonegate North Villages and Stonegate Village are invited to join in the fun.

If you have not already done so, please send us the first and last name of your senior, the name of the school from which they are graduating, and a senior photo or favorite snapshot to seniors@stonegatnorthvillages.org. From this, the team

here will create a yard sign celebrating the student. Then get ready for an evening pool party! All graduating seniors are invited to join us, at the pool to dance, swim and celebrate. Drinks and snacks will be provided. The yard signs celebrating each senior will be on display at the pool event and everyone can take theirs home that night.

Will you help us spread the word? And get those senior submissions coming in? We thank the HOA for co-sponsoring this event with us and look forward to another great turnout this year!
