NEWS & ANNOUNCEMENTS

OCTOBER 2023

Community Center Grand Opening

Thanks to everyone who stopped in to tour the Community Center at our Grand Opening on Friday, September 15th. We enjoyed seeing so many of you and sharing the beautiful new space.

Reservation System...Coming Soon!

The facility is all set and ready for events and our online reservation system will debut in the coming days. We know many of you are looking ahead to events you'd like to hold, and we are very excited to publish the live link and accept our first reservations.

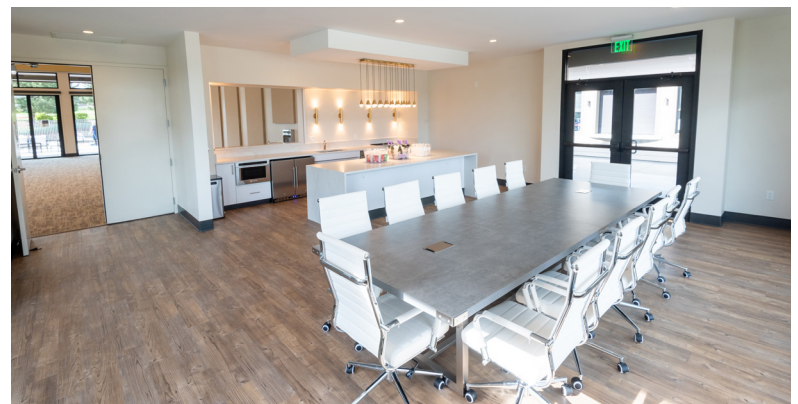

How will you notify residents when the online reservation system is live? We will alert residents through our district eNews system and we will update the Community Center page on our website. Please hit refresh on your browser and clear your cache to ensure you are looking at the latest version of the website and can see the news when it appears.

Will I be able to book an event for graduation in May of 2024? Not initially. The system will be set for a rolling six-month calendar. You will be able to book events that are up to six months away.

I have questions about pricing, the number of people it holds, and what furniture is available. Where can I learn more? Please visit the Community Center page of the website and click on the Fact Sheet and FAQ and the Community Center Facility Use Rules and Regulations. These documents should address your questions.
